

STRATFORD PRIMARY SCHOOL
THE SPORTS PREMIUM
September 2019

This report outlines how our school has planned to spend the Sports Premium allocation in 2019-20. It also outlines our key principles and reasons for spending the Sports Premium the way we do.

Our Principles and Objectives

The Sports Premium was introduced to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils so that they develop healthy lifestyles. It is allocated to schools to work with all pupils.

Schools are free to spend the Sports Premium as they see fit, however our approach and vision for our pupils is to ensure that all are offered 'rich opportunities and memorable experiences' and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the Sports Premium are based on the findings of high quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Sport Premium Funding.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Sport Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Sport Premium spending should be allocated following a needs analysis which identifies children with priority needs.
- Our Sport Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children.
- Our Sports Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available.
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long term objectives will take more than an academic year to come to fruition.

Our Sport Premium Funding

Total number of pupils on roll: 218
 Total amount of Sports Premium Grant per pupil: £10
 Total amount of Sport Premium Grant: £17780

Our Targeted Areas

In order to improve the progress and outcomes for Sports Premium pupils we aim to:

- Raise attainment and progress in PE
- Increase participation in PE through a wide range of quality provision
- Ensure all staff have access to high quality professional development which will result in an improvement in the teaching and learning of PE skills
- Enable all pupils to participate in and lead a range of competitive sports and outdoor activities.
- Create a challenging environment that will enable every child to fulfil their potential

Current Impact Statement - 2019/20 Summer			

Collection of quality PE resources

- The Sports Premium money has supported the school's aims to improve the range of equipment bought to enhance the range of equipment to be used at play times and during PE lessons.
- Looking into cleaning and rebuilding the long jump pit at the Paddock so it is safe to use for children of all ages. This will allow children to properly practise and learn how to jump properly in a safe environment.

Equipment and Sports Attire

- Looking into purchasing 2 iPads for every class, which will help inspire the children's learning, support materials & applications used in planning by teachers and allow teachers to keep an accurate record of assessment, times & video/picture evidence.
- Purchase of a lawn mower and a line marking machine means that the Paddock can be kept neat and safe for sporting use, as well as the appropriate size pitch/track lined out properly for competitive use.

Introduce a wide range of sports opportunities delivered by coaches

- Sports leaders provide coaching at lunchtimes and after school.
- 19 PP pupils were funded to enable them to join in the sports clubs and access sports provision.
- Sports Co-ordinator and Forest School Leader (training completed 2019) provides coaching and forest school sessions 5 afternoons a week, 2 lunchtimes a week and after school.
- Fencing/Archery sessions accessed by the whole school some time in 2020.

Attend inter school competitions
