### Your Child's Digital Footprint

What is a digital footprint? Basically it's the trail we all create online whenever we visit a web page, buy something, scroll social media and everything else we do online. It's a really important aspect to understand for lots of reasons such as privacy, reputation, advertising, risks of harm and much more. Internet Matters have a really good explainer article covering what a digital footprint is, what we mean by an active footprint, why it matters and much more.

# Dancing with Pasha

## Year 3!

PIC•COLLAGE

We had a wonderful International Dance Day with Pasha (Strictly Come Dancing star). He taught us some incredible dance skills and also spoke to us about his dance journey and passion for dancing. The children loved the day with one person saying 'Thank you so much for organizing such an awesome day.' Thank you too Pasha for giving your time to us all.
