

## *Press Release from Stratford-upon-Avon Primary School*

### **Stratford-Upon-Avon Primary School are thrilled to be awarded the Premier League Primary Stars kit and equipment scheme.**

Stratford-Upon-Avon Primary School are thrilled to confirm they have been awarded a Premier League Primary Stars kit and equipment pack.

Delivered by the Football Foundation, the Premier League Primary Stars Kit and Equipment Scheme gives teachers a range of equipment that can be used across different curriculum areas to get children active. The pack contains shirts, shorts and socks which will benefit the pupils in creating team spirit and pride when they play for their school. The teaching packs will inspire all children to learn and develop teacher's creative planning.

This is a curriculum-linked education programme open to primary schools in England and Wales that uses the widespread popularity of the Premier League and its clubs to inspire children to learn, be active and develop important life skills.

Also available as part of the scheme is a free downloadable suite of resources for teachers across Key Stages 1 and 2 in English, Maths, PE and PSHE. The easy-to-use materials have been developed in partnership with education organisations including the National Literacy Trust and the PSHE Association as well as prominent professionals such as Mathematician Rachel Riley and children's authors Cressida Cowell and Dan Freedman. The teaching packs use real life sport examples to put lessons into a relevant and engaging context for children.

Richard Scudamore, Executive Chairman of the Premier League and Football Foundation Trustee, said: "Congratulations to Stratford-Upon-Avon Primary on their successful application for a Premier League Primary Stars Kit and Equipment pack. We hope this kit, coupled with the free downloadable online resources, will help teachers harness the popularity of football to inspire primary school kids in everything from Maths and English to teamwork and sport."

Mrs Gill Humphriss, Head Teacher of Stratford-Upon-Avon Primary said: "We want to say thank you to the Premier League for gifting us the new sports kit and educational resources. The children are really excited about wearing the new kit and are enjoying competing and winning. The resources are excellent and have really contributed to our curriculum. We are a school who love sport and being able to use it to inspire pupils further is a real bonus. Thanks must also go to Mr Scarlett our PE lead who bid for this great resource and ensures sport is at the heart of each day.
