ATTENDANCE

George, Desmond and Mildred have enjoyed their days in the classrooms.

Our attendance so far is amazing.

Whole School = 97.6%

Reception = 98.2% Year One = 96.7%

Year Two = 97.8% Year Three = 97.4%

Year Four = 98.3% Year Five = 97.9%

Year Six = 97.4%

Y4, Rec, Y5 get the dragons – everyone is above national average. Thank you.

SAFEGUARDING - IS EVERYONE'S RESPONSIBILITY

None of us were taught how to be parents and sometimes we may find what we're doing isn't working or we just want some different strategies in our toolbox. In Warwickshire, parents to be, parents, carers and grandparents have access to a variety of parenting resources and advice. Support can be accessed online, face-to-face through informal advice, one-to-one consultations, group programmes and workshops.

This is part of the information, advice and support that is often referred to as 'universal support' or 'early help' as it is freely available to all families. Early help is about helping families deal with any issues as early as possible. It is a spectrum of support that ranges from information, advice and support that families can access themselves through to more individualised or targeted support.

All children, young people and families in Warwickshire are entitled to receive early help at any point in a child's life, from the foundation years through to the teenage years.

All our teachers are trained in Early Help – you are not alone – reach out for support.

The poster features a warm orange and red background with a central disco ball. Two white ghost illustrations are positioned on either side of the disco ball. A spider is shown in the upper right, and another is in the lower left. The text is arranged in a hierarchy from top to bottom: the hospice logo, the event title, the date and time, the location, and the activities. At the bottom, there is a photograph of children in costumes, a QR code, and the fundraising regulator logo.

MESSAGE FROM THE DESK OF MRS HUMPHRISS

Well we have only two weeks left to go of this first half term and it has been such a super packed term with lots of experiences for the children. We held our open day for prospective parents last Tuesday. It was extremely well-attended and our Year 6 pupils were amazing as tour guides. I have put some of the wonderful comments received from our visitors below.

This week we have also celebrated World Mental Health day and thank you for all the donations we have received – so far we have received £145 of our £150 target. We are very grateful as will the children who benefit from these donations. Make sure you look after your mental health by seeking someone to talk to, going outdoors enjoying fresh air and giving yourself time to just be.

Thank you to FOSP for funding first aid lessons for Year 2 and Year 3. This was run by Minimedics and the children really enjoyed it and learnt some life saving skills.

Some of our children also got to visit our local library and are participating in a programme called Chatterbooks. It is being led by Stratford Library and they aim to promote a love of reading for all. When did you last visit the library. Take time to go pick up a new book to read and lose yourself in another world.

<https://www.warwickshire.gov.uk/directory-record/588/stratford-upon-avon-library-and-information-centre>

Our governors visited us on Friday and talked to pupils about how safe they feel. They asked the children if they had a trusted adult to talk to in school, have they experienced bullying , prejudice or harassment, how safe they felt on a daily basis and to describe a typical day at Stratford Primary. In an hour they managed to talk to about 15 children (7%). The children all felt safe and said bullying is extremely rare and they loved Stratford Primary. Our governors play an important part in ensuring our school meets the vision and values we promote. This week we have a trust safeguarding review as part of our ongoing commitment to making sure our children have the best education possible for their future.
