- 3rd July - FOSP meeting 7.30pm
- 4th July - Sports day in The Paddock

HOUSE POINTS

Arden – 798

Hall – 751

Shakespeare – 727

Hathaway – 805 Congratulations Hathaway – this week's winners

ATTENDANCE

**Over the year we have been reporting cumulative attendance from start of the academic year.
For the summer term we will report Mon -Fri weekly attendance.**

Reception = 94.7%↑

Year One = 99.7%↑

Year Two = 100%↑

Year Three = 93.4%↓

Year Four = 99.7%↑

Year Five = 97.7%↑

Year Six = 94.8%↓

Whole School = 97.1%→

Winners of the dragons
for week 2nd to 6th June

The dragons go to...

Year 2 - 100% - amazing

Year 1 - 99.7%

Year 4 - 99.7%

MESSAGE FROM THE DESK OF Mrs Humphriss

Week two and the wider experiences we offer for the children continue. These are all extra to our normal curriculum or enhance the curriculum offer ensuring children have the chance to embed skills and knowledge learnt.

I had a lovely hour at The RSC 'The Play's the Thing' exhibition with a selected group of children. These children have been visiting Stratford Library over the year developing community links. As a final treat we visited the exhibition with William Shakespeare himself! It is a really interactive event and we can highly recommend it - and it's free. The children tried on costumes, performed Hamlet on stage, looked at The First Folio and practised being a dresser for an actor. That is tricky!

Year One headed over to All Things Wild in Honeybourne and immersed themselves in the world of dinosaurs. This is the start of their summer topic and they explored fossils, bones and learnt how dinosaurs once survived on our earth. They all came back from the trip buzzing. Thank you Miss White for taking them.

A group of selected children attended Warwickshire's Road Safety Awards on Friday with me. We have been awarded our platinum award for our continued work we do to ensure that all children remain safe on the roads. See photos below. We have spent a lot of time this year ensuring children can cross the road without an adult stood in the middle of it. Plus Miss White did some fabulous follow up learning to scooter safety. We were also surprised to receive a second award at the event. For our support and implementation of The Stratford Bike Bus we were presented with an innovation award. See further down for information of how you can be part of cycling to school and keeping fit and healthy.

We also welcomed back Ms Parton - our SENDCo. She will be returning on a phased return to aid her recovery. It was great to have her back in school. Mrs Chisholm is also recovering from her injury and is now working from home so I am relieved of finance and HR duties!

Don't forget - Sunday 22nd June will be The Friends of Stratford Primary School summer fair. WE NEED YOU! Events like this cannot run without people volunteering some of their time to help.

SAFEGUARDING IS EVERYONES RESPONSIBILITY

Android Smartphone parent guide

Android smartphones are becoming increasingly popular due to the cost and variety of devices.

To aid parents in ensuring you keep your child safe when using mobile phone devices you can access a parent guide. It allows you to set the maturity level of apps and games. This guide is in 'internet matters.org'.

<https://www.internetmatters.org/parental-controls/smartphones-and-other-devices/android-smartphone/>

Here you can download the guide or request an email link.

Setting up parental controls is a great way to support your child's online safety. However, these can't work alone. Regular conversations, check ins and consistent boundaries are also vital for keeping your child safe. Never assume it will be ok!

SEND NEWS or support

For many young people with Special Educational Needs or Disabilities (SEND), the internet can be a place where they feel safe, calm and in control. Somewhere they can make friends without having to communicate face-to-face, and build a community which they may not have in their offline life. Whilst recognising the internet is a great resource which young people enjoy using, life online for a child with SEND may pose additional challenges that require careful management and support.

There are so many positive opportunities for young people online, such as communicating with friends, watching videos or playing games. The internet is an amazing resource for many reasons and it's important to recognise how much young people love using it.

Whether your child is verbal or non-verbal, the moment your child expresses interest in the internet, is the time to talk about, discuss or show ways in which they can stay safe online. Take time to discuss CONTENT, CONTACT AND CONDUCT.

Visit Childnet to see how you can support your child to stay safe.

June 1st to 30th is Pride Month. Here at Stratford Primary we continue to celebrate diversity and our wonderful society. We have shared some resources to explore with your child below.

CBBC Newsround have a range of information and videos to share with your child. What is pride month and why do we celebrate it?

<https://www.bbc.co.uk/newsround/52872693>

Visit the Proud Trust to find out more about LGBTQ and Pride month.

STRATFORD PRIMARY SCHOOL BIKE BUS

TREVOR BRUCE AND HARRIET EVANS WILL BE LEADING THE BIKE BUS FROM NOW ON

If you wish to join the bike bus let the school office know and we will share Trevor's phone number so you can be added to the whatsapp group. Below is a photo of the route they take.

Stop 1 - shared use path by entrance to race course (meet path side of the barriers, don't block the path) - 8.10am

Stop 2 - Seymour Road (meet by the first bend, entrance to the lane, wait on the pavement) - 8.15am

Stop 3 - Paddock Lane (meet on the shared use path, path side of the barriers. Please be respectful to the residents who live here, wait on the grass or in the dead end road of Weatherby Way adjacent) - 8.20am

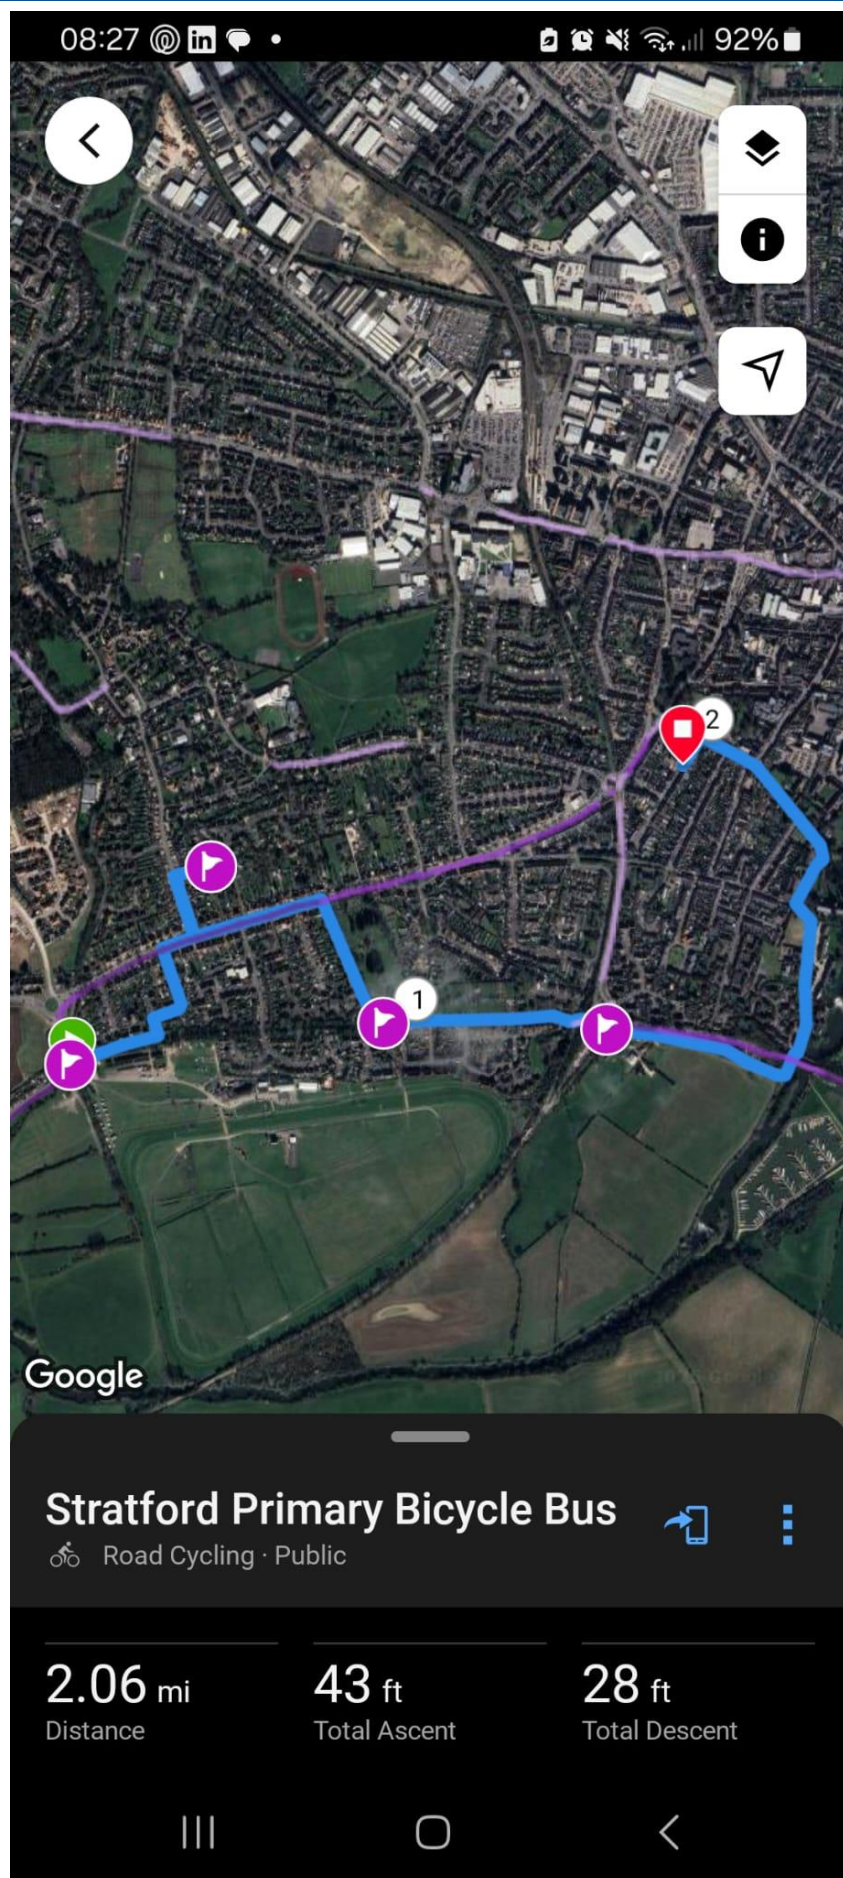

Stop 4 - Greenway car park (river side, be aware of moving cars, no riding in car park while waiting, for your own safety) - 8.25am

Arrive at school - 8.40am

***Please note, timings are approximate, please be at your stop, ready, a few minutes before the scheduled time.

Check on the whatsapp group as I will share my location (which isn't always accurate) and let me know if you're late etc.

If I know you are coming we will wait as long as possible, but it is usually only 1 or 2 minutes we can wait.

Cycling is good for you and keeps you healthy.

We are committed to reducing the amount of cars on the road and making the route to school safer for our children.

Join in this initiative and help us develop our school as a walking, scooting, cycling school.
